

BOARD POLICY**No. 808**

TITLE: Providing Contracted Services for External Groups**DATE ADOPTED:** February 16, 2021**EFFECTIVE DATE:** February 16, 2021**SUPERSEDES:** February 3, 1984

PURPOSE: Rowan College at Burlington County seeks to meet the educational and training needs of the residents, institutions, governmental agencies, businesses and industries of Burlington County.

POLICY: It is the policy of the College to engage in discussions with area businesses and community partners to determine educational needs, and ultimately, negotiate and establish contractual agreements for the development and execution of educational and training services with the aforementioned groups under mutually agreeable terms. Agreements for training and education partnerships with area businesses will be coordinated through the workforce development area, and then reviewed and approved by the Board.
